### Errata

In the August 1985 issue of the **Bulletin**, page 32, the following correction should be made:

The name in the *ninth* line of column *two* should be

Otto C. Richter

In the October 1985 issue of the **Bulletin**, page 13, the *last full paragraph* in the *second* column should read:

The report of the 1949 Advisory Council on Social Security endorsed earlier proposals to extend Federal financial participation, at a rate of one-third, to the financing of general assistance programs—that is, programs of assistance to needy families and individuals outside of the federally aided categories. The report also endorsed proposals to permit the payment of medical costs directly to the providers of medical care, up to a total amount for each State based on its number of qualified recipients.

In the *second* sentence of the *third full paragraph* in column *one* on page 15 of the same article, the words "assistance recipients or" should be deleted.
